- Repair and/or troubleshooting of electrical components in systems ranging from 12VDC to 480 VAC, which may require coordinating with 4160 VAC systems; e.g. panels, transformers, breakers, switches, contacts, relays, terminals, disconnects, etc.
- Light pole, ballast, and bulb replacements from 120V to 480V

SCADA system components such as workstations, HMI's, PLC's, and similar will be covered under a separate integration contract. Coordination may be required under this contract as needed with SCADA integrator.

Laborer rates will be utilized to cover items such as pump room and building cleaning, pressure washing of concrete and structures, miscellaneous minor painting, general trash and debris clean-up and other similar activities. Cleaning activities are intended for general upkeep of the site; clean-up of wastewater related materials will be performed by city personnel. Trash, debris and other materials collected when performing the scope of work may be disposed of in on site collection points as directed by Owner. Work orders will be issued by the City Parish to schedule these activities. Contractor may utilize the laborer rate for clean-up of areas due to work site repairs and activities, with prior approval from Owner on the amount of personnel used and expected time period.

The vast majority of parts necessary for repairs will be Owner furnished. In the event of emergency repairs, Owner may request contractor to procure the materials and may be billed at the allowable 15% markup per the 1997 Standard Specifications.

This contract will be used, if necessary, in response to declared disasters that occur within the period of agreement. Standard rates shall be used until 4:00 pm on weekdays. Overtime rates shall be used after 4:00 pm on weekdays, anytime on weekends, or after an employee reaches 40 hours in a work week in response to a declared disaster and/or requested by Owner to continue working.

## **6.2 Mobilization**

Mobilization shall include all preparatory work and operations necessary for movement of personnel, equipment, supplies, and incidentals to each work location within the time specified on the work order. Emergency work orders, which include 2-hour and 24-hour response time, may be initially issued verbally by phone with follow-up written documentation if overflows or critical impact to plant compliance is imminent. Payment for this item will be full compensation for mobilization on a per-each-basis within the time specified. Contractor will not be paid mobilization for regularly scheduled maintenance work orders where work is expected to begin within three business days of receipt.

## **6.3 Typical Workflow**

- i. Owner issues verbal or electronic work order with mobilization requirements
- ii. Contractor's representative provides scope including estimated labor and materials at no cost
- iii. Owner approves use of labor/rentals/equipment
- iv. Contractor mobilizes to site based on work order description
- v. Contractor returns completed work order to Owner with final labor/rental/equipment usage

## **6.4 Crane Rental**

Contractor shall provide a crane with operators as requested by Owner to complete work as required. Contractor shall be responsible for determining the crane size necessary based on equipment weights, location, and distance provided by Owner. The minimum rental time for a 17-ton crane is 4 hours. The minimum rental time for all other cranes is 8 hours.

## **6.5 Scaffold Rentals and Materials**

Contractor may be required to provide scaffolding or other miscellaneous materials as requested by Owner to complete work as required. Contractor may markup required rental services and materials by 15%. Owner may request quotes for such services or provide quotes prior to approval of purchase or rental of materials and/or equipment. All equipment or material to be used on the contract must be approved by the Owner. Owner may require multiple quotes to verify economical purchases.

## **6.6 Warranty**

Contractor shall provide guarantee for a minimum period of one (1) year against defects in workmanship for all repairs. The warranty period shall begin upon formal acceptance of the work order. Upon written notification, the Contractor shall promptly correct all work found to be defective during the 1-year period. If the Contractor does not promptly comply with such instructions, or where delay would cause a risk of serious loss or injury, the City-Parish may have the defective work corrected, and all costs thereof shall be borne by the Vendor or the Contractor's surety.

## **6.7 Safety Requirements**

The importance of safety in the performance of this scope of work cannot be overemphasized. To that end, the Contractor shall conduct his operation in a manner such that the safety and convenience of both the public and workers is regarded as of prime importance. The City-Parish reserves the right to stop the Contractor from working or to order any piece of equipment taken off the project, should it be determined that minimum safety standards are not being met. The contractor is required to meet or exceed the Owner's PPE standard.

## **6.8 Finishing and Cleanup**

It is important that each site be cleaned up of all Contractor generated debris daily as long as construction activities take place at that site. The site will not be accepted by the City-Parish until it is completely cleaned up of any construction debris. If this critical activity is not followed, the City-Parish's representative will issue a formal warning to the Contractor notifying him that failure to comply will result in a directive to stop work on any future facilities, pending the completion of all cleanup activities as directed by the City-Parish.

## **6.9 Period of Agreement**

This contract shall commence upon the issuance of a Notice to Proceed by the Department representative and shall continue through December 31, 2022. For the purposes of this RFP, the anticipated Notice to Proceed is tentatively scheduled for January 1, 2022. However, the City-Parish reserves the right to deviate from these dates. This contract will have the option of four annual renewals for calendar years 2023, 2024, 2025, and 2026, provided all prices, terms, and conditions remain the same, upon mutual agreement of the contracting parties.

## **6.10 Payment**

All work performed shall be paid at the hourly rates in the pricing schedule, which shall be full compensation for furnishing all labor, equipment, tools, supplies, and incidentals necessary to complete the work.

## **6.11 Price Schedule**

Prices proposed by the proposers should be submitted on the Proposal Form furnished herein as Attachment B-1. Prices submitted shall be firm for the term of the contract and inclusive of all charges Contractor wishes City-Parish to consider for proposed services.

The treatment plant is located at 50 Woodpecker Street, Baton Rouge, Louisiana, 70807.

|   |                       |
| <b>TOTAL POINTS</b>   | 100                   |

Proposer must receive a minimum score of 50 points of the total available points (70) in *Background & Experience* and *Technical Criteria* to be considered responsive to the RFP. **Proposals not meeting the minimum score shall be rejected and not proceed to Cost Evaluation.**

### **Cost Evaluation**

The evaluation committee will then evaluate responsive proposals on cost. Prices proposed shall be firm but subject to negotiation.

Pricing will be evaluated by all costs, inclusive of the maximum fee for all services and by all other costs, if any, proposed by the Proposer.

The Proposer with the lowest total cost for **NWWTP Mechanical, Electrical, & Instrumentation Services** provided to the Department of Environmental Services shall receive the maximum allocated points, a portion of these points, or no points, depending upon the merit of its cost section of the Proposal.

**The Proposer shall provide the total cost (inclusive of travel and all project expenses) for providing all services described in the RFP. Each service should be broken down and totaled.**

Proposers shall receive cost points based upon the following formula:

$$\text{CCS (points)} = (\text{LPC}/\text{TCP}) \times \text{MAXIMUM}$$

CCS = Computed Cost Score (points) for Proposer being evaluated;

LPC = Lowest Proposed Cost of all Proposers;

TCP = Total Cost of Proposer being evaluated;

MAXIMUM = Maximum Allocated Points for cost being evaluated

The point scores for Background & Experience, Technical Criteria, and Cost will be combined to determine the overall score. The Proposer with the highest overall score will be recommended for award. The formula for selection is as follows:

$$\text{B\&E} + \text{TC} + \text{CCS} = \text{TOTAL SCORE}$$

B&E = Background and Experience

TC = Technical Criteria

CCS = Computed Cost Score

The evaluation committee may:

- Conduct reference checks relevant to the solicitation to verify any information and consider any relevant information from such cited references or sources in the evaluation of the proposals;
- Request interviews and presentations with any Proposer to clarify any questions or considerations based on the information contained in the proposal.

## **8. Notice of Intent to Award**

Upon review and approval of the evaluation committee's recommendation for award by the Director of Purchasing and the Metropolitan Council, a *Notice of Intent to Award* letter will be issued to the Proposer. The City-Parish desires to have a contract completed and signed by all parties concerned, on or before the date indicated in the Schedule of Events. If the Proposer fails to submit the Award Contract by the scheduled deadline, through no liability of the City-Parish, the City-Parish may elect to cancel the *Notice of Intent to Award* letter and make the award to the next highest scored Proposer.

The Purchasing Division shall notify all unsuccessful Proposers as to the outcome of the evaluation process, and include, upon request, evaluation factors, points, and a summary. A recommendation report shall be made available to all interested parties after the *Notice of Intent to Award* letter has been issued.

## **9. Contract Negotiations**

If, for any reason, the Proposer whose proposal is most responsive to the City-Parish's needs, price, and other evaluation factors set forth in the RFP considered, does not agree to the contract, that proposal shall be rejected and the City-Parish may negotiate with the next highest scored Proposer. Negotiation may include revision of non-mandatory terms, conditions, and requirements. Negotiation shall also allow price adjustments. The final contract form shall be reviewed by the Purchasing Division and approved by the Parish Attorney prior to issuance of a purchase order, if applicable, to complete the process.

The RFP, any addendums, and the proposal of the selected Proposer will become part of any contract initiated by the City-Parish.

**In no event is a Proposer to submit its own standard contract terms and conditions as a response to this RFP.** The Proposer needs to address the specific language in the sample contract “Attachment D” and submit with their proposal any exceptions or exact contract deviations that the firm wishes to negotiate. The terms for both of these documents may be negotiated as part of the negotiation process, with the exception of contract provisions that are non-negotiable.

If the contract negotiation period exceeds **30 days**, or if the selected Proposer fails to sign the contract within **seven calendar days of delivery of the contract**, the City-Parish may elect to cancel the award and award the contract to the next highest scored Proposer.

Award shall be made to the Proposer whose proposal, conforming to the RFP, will be the most advantageous to the City-Parish, price and other factors considered.

## **10. Ownership**

All proposals and/or documentation submitted therewith are City-Parish’s property for all purposes.

Proposers must clearly mark documents or information as “confidential” in order to claim exemption, if any, from public records disclosure and specifically justify the exemption.

### **Confidential Information, Trade Secrets, and Proprietary Information**

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1 et. seq.) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the Proposer at the time of submission. Proposers should refer to the Louisiana Public Records Act for further clarification.

The Proposer shall mark the cover sheet of the proposal with the following legend, specifying the specific page(s) and/or section(s) of the proposal that are sought to be restricted:

*“The data contained on page(s) XX and/or section(s) XX of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that, if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, the City-Parish shall have the right to use or disclose the data therein to the extent provided in the contract. This restriction does not limit the City-Parish’s right to use or disclose data obtained from any source, including the Proposer, without restrictions.”*

Further, to protect such data, each page containing such data shall be specifically identified and marked “CONFIDENTIAL.”

If a competing Proposer or other person seeks review or copies of another Proposer's confidential data, the City-Parish will notify the owner of the asserted data of the request. If the owner of the asserted data does not want the information disclosed, it must agree to indemnify the City-Parish and hold the City-Parish harmless against all actions or court proceedings that may ensue (including attorney's fees), which

seek to order the City-Parish to disclose the information. If the owner of the asserted data refuses to indemnify and hold the City-Parish harmless, the City- Parish may disclose the information.

The City-Parish reserves the right to make any proposal, including proprietary information contained therein, available to Purchasing Division personnel, the Office of the Mayor-President, or other City-Parish agencies or organizations for the sole purpose of assisting the City-Parish in its evaluation of the proposal. The City-Parish shall require said individuals to protect the confidentiality of any specifically identified proprietary information or privileged business information obtained as a result of their participation in these evaluations.

If your proposal contains confidential information, you should also submit a redacted copy along with your proposal. If you do not submit the redacted copy, you will be required to submit this copy within 48 hours of notification from Purchasing. When submitting your redacted copy, clearly mark the cover as – “**Redacted Copy**” – to avoid having this copy reviewed by an evaluation committee member. The redacted copy should also state which sections or information has been removed.

## **11. Legibility / Clarity**

Responses to the requirements of this RFP in the formats requested are desirable, with all questions answered in as much detail as practicable. The Proposer’s response should demonstrate an understanding of the requirements. Proposals prepared simply and economically, providing a straightforward, concise description of the Proposer’s ability to meet the requirements of the RFP are also desired. Each Proposer shall be solely responsible for the accuracy and completeness of its proposal.

## **12. Effects**

The City-Parish is not responsible for any cost associated with RFP development, submission, or presentation, and is not responsible for any costs associated, in any way, with contract negotiation.

### **Changes, Addenda, & Withdrawals**

The City-Parish reserves the right to change the schedule of events or issue addenda to the RFP at any time. The City-Parish also reserves the right to cancel or reissue the RFP.

If the Proposer needs to submit changes or addenda, such shall be submitted in writing prior to the proposal opening, signed by an authorized representative of the Proposer, cross-referenced clearly to the relevant proposal section, and submitted in a sealed envelope, marked [**Addenda**] **NWWTP Mechanical, Electrical, & Instrumentation Services**.

A Proposer may withdraw a proposal that has been submitted at any time up to the proposal closing date and time. To accomplish this, a written request signed by the authorized representative of the Proposer must be submitted to the Purchasing Division.

### **Deliverables**

The deliverables and structure listed in Section 16 and “Attachment A” are the minimum desired from the successful Proposer. Every Proposer should describe what deliverables will be provided per their proposal and how the proposed deliverables will be provided.

### **Acceptance**

All proposals shall be considered valid for acceptance until such time an award is made, unless the Proposer provides for a different time period within its proposal response.

The City-Parish reserves the right to reject a proposal if the Proposer's response is unacceptable, and the Proposer is unwilling to extend the validity of its proposal.

The mandatory RFP requirements shall become contractual obligations if a contract ensues. Failure of the successful Proposer to accept these obligations shall result in the rejection of the proposal.

### **Rejection**

Issuance of this RFP in no way constitutes a commitment by the City-Parish to award a contract. The City-Parish reserves the right to accept or reject any or all proposals submitted or to cancel this RFP if it is in the best interest of the City-Parish to do so. Failure to submit all non-mandatory information requested may result in the City-Parish requiring prompt submission of missing information and/or giving a lower score in the evaluation of the proposal.

**Proposals received after the deadline, corrupted files, and incomplete submissions will not be considered.**

### **Order of Precedence**

In the event of an inconsistency between the contract, the RFP, and/or the Proposer's proposal, the inconsistency shall be resolved by giving precedence first to the final contract, then to the RFP and subsequent addenda (if any), and finally, the Proposer's proposal.

## **13. Required Attachments with Proposal**

In addition to the proposal, Proposers are required to complete and submit the following attachments:

- "Attachment B" Proposal Forms
- "Attachment B-1" Pricing Schedule – **This attachment should be included with the cost/financial section of the proposal and submitted in a separate, sealed envelope.**

Non-negotiable contract terms include but are not limited to taxes, assignment of contract, audit of records, EEOC and ADA compliance, record retention, content of contract/order of precedence, contract changes,

governing law, claims or controversies, and termination based on contingency of appropriation of funds (if applicable).

**By responding to this RFP, the Proposer agrees to the City-Parish's required Contract Terms and Conditions as provided in "Attachment D" and therefore waives any future right to contest the required provisions.**

## **15. Taxes**

Any taxes, other than state and local sales and use taxes, from which the City-Parish is exempt, shall be assumed to be included within the Proposer's cost.

## **16. Proposal Submission Requirements**

It shall be a requirement of the Proposer to demonstrate through its response to this RFP that the Proposer can effectively meet or exceed the stated requirements listed within this RFP.

Proposers must respond to each of the requirements, explaining and demonstrating their qualifications. Each response will be evaluated and scored. Supporting documentation and actual examples of currently provided services should be provided within the Proposer's response. Please note that all proposals will be public record, and all personally identifiable information must be redacted from documentation. Scoring will be based on the content, depth, and detail in the response, and the documentation provided in support of responses. Failure to provide supporting documentation or inadequate documentation may result in a reduced or failing score.

### **Submission Documents**

Proposers shall submit one (1) signed hardcopy of the original proposal in a sealed envelope, marked [**Original**] **NWWTP Mechanical, Electrical, & Instrumentation Services**. Additionally, proposers should submit five (5) additional hardcopies of the signed proposal in a sealed envelope, marked [**Copy**] **NWWTP Mechanical, Electrical, & Instrumentation Services**, one (1) digitally signed proposal on CD/DVD/USB drive in PDF format, marked **NWWTP Mechanical, Electrical, & Instrumentation Services**, and one (1) redacted copy of the proposal, if applicable.

If within thirty (30) days after receipt of such notice, the Proposer shall not have either corrected such failure or, in the case of failure which cannot be corrected within thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such

correction, then the City-Parish may, at its option, place the Proposer in default and the Agreement shall terminate on the date specified in such notice.

Proposer shall not use City-Parish's property (including equipment, instruments and supplies) or personnel for any purpose other than in the performance of his/her obligations under this Agreement.

### **39. Waiver**

No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement shall be effective unless it is in writing and signed by the party waiving the breach, failure, right, or remedy. No waiver of any breach, failure, right or remedy shall be deemed a waiver of any other breach, failure, right or remedy, whether or not similar, nor shall any waiver constitute a continuing waiver unless the writing so specifies.

#### **40. Force Majeure**

The Proposer or City-Parish shall be excused from performance under the contract for any period that the Proposer or City-Parish is prevented from performing any services in whole or in part as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided the Proposer or City-Parish has prudently and promptly acted to take any and all corrective steps that are within the Proposer's or City-Parish's control to ensure that the Proposer or City-Parish can promptly perform and to minimize the effect of such events upon performance of their respective duties under the contract.

#### **41. Federal Clauses**

*The following clauses are mandatory if Federal Funds are utilized. The most common instance where federal funding would be used on an annual contract of this type is in response to a natural disaster where FEMA reimbursement is requested for damages. The use of Davis-Bacon wage rates is not anticipated but the language will remain in the document.*

##### **Remedies**

As a breach of service would cause serious and substantial damages to the City-Parish and its occupants, and the nature of resulting contract would render it impractical or extremely difficult to fix the actual damage sustained by the City-Parish by such breach, it is agreed that in case of a breach of service, the City-Parish may elect to collect liquidated damages as specified in the resulting contract, not as a penalty, such sums being agreed as the amount which the City-Parish will be damaged by the breach of such service.

The decision to seek such remedies shall not be construed as a waiver of any legal remedies the City-Parish may have as to any subsequent breach of service.

If the Proposer fails to perform, or to perform in a satisfactory manner, or to perform in strict compliance with the resulting Contract, the Proposer will be considered to be in Breach of Contract, in addition to such remedies of a less formal but corrective nature as may be delineated between the City-Parish and the Proposer elsewhere in the resulting Contract Documents, the City-Parish retains, solely to itself, all such remedies.

##### **Equal Employment Opportunity**

During the performance of this Agreement, the Proposer agrees as follows:

- The Proposer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Proposer will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Proposer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- The Proposer will, in all solicitations or advertisements for employees placed by or on behalf of the

Proposer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

- The Proposer will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Proposer's legal duty to furnish information.
- The Proposer will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Proposer's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- The Proposer will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- The Proposer will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- In the event of the Proposer's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Proposer may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- The Proposer will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub-contractor or vendor. The Proposer will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a Proposer becomes involved in, or is threatened with, litigation with a sub-contractor or vendor as a result of such direction by the administering agency, the Proposer may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Proposers and sub-contractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Proposers and sub-contractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

#### **Davis-Bacon and Copeland Anti-Kickback Act**

The Proposer shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144 and 3146-3148) as supplemented by the Department of Labor regulations (29 CFR Part 5, "Labor Standard Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with this statute, the Proposer is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Proposer is required to pay wages not less than once a week.

The Proposer shall comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by the Department of Labor regulations (29 CFR Part 3, "Contractors and Sub-contractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Proposer is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

#### **Contract Work Hours and Safety Standards Act**

Pursuant to 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5), the Proposer is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

#### **Rights to Interventions Made Under a Contract or Agreement**

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must

comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

#### **Clean Air Act and the Federal Water Pollution Control Act**

The Proposer is required to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

#### **Byrd Anti-Lobbying Amendment**

Proposers that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier, up to the non-Federal award.

#### **Procurement Recovered Materials**

Proposer shall comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act which pertains to procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000.00 or the value of the quantity acquired during the preceding fiscal year exceed \$10,000.00; procuring solid waste management services in a manner that maximizes energy resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

#### **Program Fraud and False or Fraudulent Statements or Related Acts**

The Proposer acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Proposer's actions pertaining to this contract.

#### **Compliance with Federal Law, Regulations, and Executive Orders**

The Proposer will comply will all applicable federal law, regulations, executive orders, FEMA and/or HUD policies, procedures, and directives.

#### **No Obligation by Federal Government**

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, Proposer, or any other party pertaining to any matter resulting from the contract.
